# ONSITE PROGRAMMES

## Ultimate Showdown Return!

The most awaited Forklift Hero Competition is back as part of **Manufacturing Indonesia Series 2025 – the biggest manufacturing expo in Southeast Asia!** This year, it's coming back bigger and more exciting, powered by **iMOW & Titan Sarana**, featuring a brand-new **Team Challenge** format! This is your chance to compete with fellow professionals, showcase your forklift mastery, and be crowned the next Forklift Hero Champion 2025!

A banner for the 'Kaizen Clinic' event. The main text says 'KAIZEN CLINIC at #MFI2025' and '3 - 6 DEC 2025 Hall B3 - JIEXPO Kemayoran'. It features four coaches: Amanda N. Cahaya, S.Psi., M.Psi., Psikolog; Rizky A. Ramadhan, MM, CLSSBB; Agung Sedayu, S.S; and Delita Emira. A QR code is present with the text 'BOOK YOUR 1-ON-1 CONSULTATION NOW!'. The event is part of the 'MANUFACTURING INDONESIA SERIES'.

## Your Gateway to Expert Guidance

The Kaizen Clinic offers free one-on-one consultations with expert coaches in HR & Organization Development, Kaizen & Lean, and Karakuri Kaizen. Topics include talent management, lean implementation, process improvement, low-cost automation, and workplace efficiency. Designed for manufacturing professionals, the clinic provides practical guidance to drive continuous improvement, productivity, and long-term growth in the industry.

A banner for the 'Manufacturing Digital Hub' event. The main text says 'MANUFACTURING DIGITAL HUB' and '3 - 6 DECEMBER 2025 HALL C1-C2 JIEXPO KEMAYORAN'. It features the text 'DISCOVER THE LATEST DIGITAL TECHNOLOGIES, SOLUTIONS, AND INNOVATIONS FOR YOUR MANUFACTURING OPERATIONS!'. The event is supported by APTIKNAS (The Indonesian ICT Business Association). The background shows a globe and various digital technology icons.

## Future Smart Manufacturing

The Manufacturing Digital Hub at Manufacturing Indonesia Series 2025, in collaboration with APTIKNAS (The Indonesian ICT Business Association), serves as a key destination for companies embracing digital transformation in the manufacturing sector. Designed to accelerate the adoption of smart technologies, the hub offers free consultations and insights on implementing Industry 4.0 solutions—from AI and IoT integration to data-driven production management.

In addition to expert guidance, you can join live podcasts featuring discussions and updates from Industry 4.0 leaders, offering valuable insights into the latest digital trends shaping the future of manufacturing. The hub will also provide you with a free opportunity to join the podcast session.

# ONSITE PROGRAMMES

## The Future of Manufacturing Unveiled

ROBOPARK, a dedicated area at Manufacturing Indonesia Series 2025, proudly showcases the power of Indonesia's own robotics innovation — designed and built by the nation's leading tech minds. This special zone highlights home grown advancements across industries, from manufacturing and logistics to education, celebrating the creativity and capability of local innovators.

## Explore the INDOESTRI Area: Creativity Meets Industry!

Discover innovative products, cutting-edge tools, and live demos showcasing the best of Indonesian craftsmanship and industrial design. Connect with visionary creators and be inspired by the future of local industry. Don't miss this hub of creativity and opportunity!

Meet talented makers who push the boundaries of design, learn about their creative processes, and gain insight into the ideas shaping Indonesia's next generation of industry. Whether you're an enthusiast, a professional, or simply curious, the INDOESTRI Area offers something exciting for everyone.

## Exploring Cutting-Edge Innovation & Technology

The Advanced Manufacturing Connect at Manufacturing Indonesia Series 2025 is where innovation meets opportunity. Explore the latest breakthroughs in precision engineering, automation, and smart production — all designed to boost efficiency, quality, and competitiveness.

Engage in 1-on-1 sessions with industry experts, gain practical insights, and experience firsthand how cutting-edge technologies are shaping the next era of industrial excellence.

# Better Stands

Better Stands  
future for the events industry.

## What is Better Stands?

- Minimise Disposable Stands**  
Encourage exhibitors to move away from disposable, single-use stands at events.
- Increase Reusable Structures**  
High quality materials, constructed safely which can be reused for future events.
- Long Term Program**  
Part of stand build regulations and divided into three key stages – Bronze, Silver and Gold. Helps to facilitate a gradual transition from disposable to reusable stands for all exhibitors.
